American Society of  
Civil Engineers

# Wish you had thought of that?

Nominate your colleague  
for an ASCE award in innovation.

**Charles Pankow Award for Innovation**, honoring collaboration in innovative design, materials, or construction-related research and development sustainably transferred into practice

**Innovation in Civil Engineering Award**, recognizing innovative concepts in structural framing, fabrication and erection procedures, construction techniques, and repair and maintenance measures

Spur innovation in civil engineering  
by recognizing cutting-edge ideas.

For criteria and nomination forms, visit  
[www.asce.org/awards](http://www.asce.org/awards).

Nominations are due **October 1, 2008**, for the *Charles Pankow Award for Innovation* and **November 1, 2008**, for the *Innovation in Civil Engineering Award*.
